PU DUAL-DENSITY SRC Two-component PU sole with selfcleaning pattern, extremely flexible for various places of use, both indoor and outdoor, with SRC Antislip Standard.

## Removable Insole

The upper layer in contact with the

foot is made of a highly resistant netting to ensure exceptional absorption of dampness. A selfforming antibacterial foam layer ensures comfort and correct support of the foot.

#### Lateral stability

dynamic HC control

Ergonomic rigid internal structure. It houses the heel into the right seat, adjusting the foot support and control of the ankle sideways movements. It keeps the foot tight to the shoe, allowing the perfect fit.

**Electrical features** 

Strip with 4 filaments of carbon fiber, ensuring proven anti-static properties of the footwear over time.
